Sir:

In response to your letter of May 18, 1910, you are advised that the private land claim of Joseph Grelot, No. 37, in Barton & Barnett's list of actual settlers (American State Papers, Duff Green's Edition, Vol. 3, page 393), was confirmed by the third section of the act of May 8, 1822 (3 Stats., 707) and has been duly surveyed to embrace Sec. 37, T. 5 S., R. 3 W., Alabama, containing 625.34 acres, as shown by a supplemental plat of said township approved May 19, 1845. Said Sec. 37 includes the W $\frac{1}{2}$, W $\frac{1}{2}$ NE $\frac{1}{4}$, W $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 25, E $\frac{1}{2}$ NE $\frac{1}{4}$ and E $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 26. There appears to be no conflict with this claim as shown by the records of this office and the information furnished you by letter of May 9, 1910, that the land was approved to the Mobile and Ohio River R. No patent has issued on the Grelot claim, but the records of this office show no objection to the issuance of a patent.

Dear Sir:-

Your letter of May 9th, 1910, was duly received, and please accept my thanks for your full reply.

In said reply you say - " You are advised the tract book in this office shows the W 1/2 of N E 1/4, N W 1/4, N E 1/4 of S W 1/4, N W 1/4 of S W 1/4, S 1/2 of S W 1/4 and the W 1/2 of S E 1/4 of Sec. 25, T. 5 S R 3 W., approved to the Mobile and Ohio River R. R., February 4th, 1853 under the Act of September 20, 1850. There seems to be a conflict as to these lands, for the Land Office at Montgomery, to whom I wrote for information before I wrote you replied by saying that said lands in Section 25, just enumerated, were " with private Grelot land claim, no date as to patent, if patented, and my purpose in writing to you further with reference to these lands, was in order to ascertain whether or not a patent was ever issued by the United States to Grelot, whom I take to be Joseph Grelot, as his name is marked on the Township map of Mobile County, under the denomination of Section 37, in as much as said Montgomery Land Office had no record of any patent, is patented. The Secretary of the State of Alabama, to whom I also wrote for information, stated - " that entire Section 25, T. 5 S. R 3 W. granted by the United States to Mobile and Ohio R. R. September 20th, 1850, and I take it that the Secretary of State must have secured his data from your Land Office, as your data and his agree.

It seems to me that the clerk in your office who looked up this land, must have made an error; for immediately upon receipt of this information stating that the land was embraced in the Mobile and Ohio Grant Land under an Act of September 20, 1850, I examined the record in Probate Court of this County, of the Certified List of lands approved by the United States to the Mobile and Ohio R. R. on February 4th, 1853, under an Act of September 20th, 1850, and I found that the above lands in Section 25, were not enumerated or set out in said Certified List of lands by the United States to the Mobile and Ohio R. R. For fear that there might be an error of the copyist in recording the Certified List in Probate Court, I then went to the Mobile and Ohio Land Office and examined their original Certified List and their Map made from said Certified List, and found that the said land above enumerated in Section 25, were not mentioned or set out in the original Certified List or Map made from same.

I feel satisfied that upon ^are-examination ^{of the records} in your Office, you will find that said lands in section 25, above enumerated were, as stated by the Montgomery Land Office "in private land claim Grelot," (the Township plat which I also secured from the Montgomery Land Office showed these lands and also the lands inquired of you in Section 26 to be in the private land claim of Joseph Grelot, but nothing was given on said plat as to patent).

In your reply of May 9th, you also say - "the E 1/2 of N. E 1/4 and E 1/2 of S E 1/4 of Section 26 T. 5 S R 3 W, are covered by private claim of Joseph Grelot for which patent has not been issued," and this data is the same as was given me by the Montgomery Land Office except that they could give me no data as to the patent."

PASCAGOULA LIBRARY
GENEALOGY COLLECTION
DO NOT CIRCULATE

Now, having secured this information from you as to said lands in Section 26, just enumerated, being in the private claim of Joseph Grelot, for which patent has not been issued, and being satisfied that upon a re-examination of your records, you will find that the above lands in Section 25, are also covered by said private claim of Joseph Grelot, and I do not believe that your records will show that a patent has ever issued to said Joseph Grelot to said lands in Section 25 -- what I desire to ascertain is, if a patent has never issued to the said Joseph Grelot as to said lands in Section 25 and Section 26 has said private claim of Joseph Grelot ever been confirmed by private Act or otherwise? and has a certificate of confirmation of said private claim ever issued. My opinion is that, in the absence of a patent from the United States to Joseph Grelot, there should be a confirmation by private Act or otherwise of said private claim to Joseph Grelot, or else the paper or legal title to said lands has never passed out of the United States Government, and I know that your records are so precisely kept, and ~~xxx~~ your system of indexes & digests is so perfect that you can immediately ascertain whether or not said private claim was ever confirmed by private Act or special Act or otherwise, and this is my reason for requesting this data from you; for I am of course unable to give an opinion as to the title of this property until I know whether said title has ever come out of the United States Government.

I have examined the American State Papers carefully and I find no data in same except that noted in Volume 3, Page 393, where Crawford reports (under the following head) " A List of actual settlers in the district east of Pearl River, Louisiana, prior to the 3rd of March 1819, who have no claim derived from either the French, British or Spanish Government"; Joseph Grelot, date of present settlement January 1820; date of original settlement 1810 situated in Park Rodien."

5-
in the same circumstances, and know how extremely worrisome it is to ~~an~~
an attorney.

Thanking you in advance for a prompt and full and detailed re-
ply to this letter, I am,

Yours truly,,

J. Irwin Burgett.

P . S.

If aforesaid lands in Section 25 and Section 26 have never been
patented or a patent to same has never issued from the United States
Government, and no certificate of confirmation has ever issued from
the United States Government confirming the said private claim of Joseph
Grelot,-- how is it that on the Township and Sectional Maps of Mobile
County, State of Alabama, the aforesaid lands in Section 25 and Section
26, are marked

Commissioner Gen. Land Office.

Washington, D. C.

Sir, Referring again
to your letter of Oct 31, would be
glad to have you inform me
whether there is a grant or record
in the General Land Department
from Gov Robt Farmer of the British
Province of West Florida for
200 acres of land in the
Northwestern suburbs of Mobile,
dated here in 1781, and a grant
from St. M. de la Cruz in 1781 to Gene-
ral Beauséjour.

I The correspondences of the
late Mr. Fisher with the proper
departments at Washington.

stolen in 1875. If the titles were
ly, of the other claims on rec-
ord belonging to the Fishers could
be furnished would pay for
the time and labor employed,
if such is the custom of
your bureau.

If Congress has confirmed
the grant now in the name
of Mrs Fisher, of near Three Mile
creek, would not the patent is-
sue from the General Land Office?

If you could advise me in
regards to the transfer of land
at Mt Vernon or near there, at
Bear Creek - being 400 acres
from Joseph Bledet to Krebs.

Having the skeleton of these
grants it is our intention to
go to Washington and employ
people to obtain complete ab-
stracts.

In order to assure you of good
faith in making these research-
es, may inform you that I am
the lawful representative of
Catherine Fisher Harmon, heir
at law of Mr. Fisher, deceased,
and of the heirs of Marcelite
Fisher Krebs, who are my aunt
and my brothers and sisters,
and that none of the Fishers
have sold any of the land

prior to the year 1875. Inclosed
you will find a petition to
the probate court, here which
will be filed as soon as
possible. It is confidential and
of course you will return it.

A similar petition, for my
grandmother's heirs, will be filed
in Baldwin county as soon as
investigations are completed.

If you are hereby informed,
therefore, that anybody, acting
as agent, or pretending to be
administrator of any estate em-
bracing any of these claims, 94 of 170
doing so fraudulently, and that

Secretary of the Interior, giving the
most convincing proof of fraud.
Any patent that has been is-
sued, or these grants, to other
parties than the Fisher, Grisham
or de Mott heirs has been ob-
tained by bogus representations,

In answer, you are informed the records show that an originally surveyed the claim of Joseph Gruber was noted as Sec. 37, T. 5 S., R. 2 W., but according to the supplemental plat surveyed May 19, 1923, Gruber's claim was located as Sec. 37, T. 5 S., R. 3 W., St. Steph. Dear Mr. Bennett, find that there
is some confusion of patents as to which
is known as S. 37 1/2 S. 12 W.

It seems unlike Proclamation, our
claimant, claims 1/2 of S. 26 which is
nearly the W 1/2 of S. 37; she also claims
the whole of fractional S. 26, which nearly
includes the ~~W 1/2 of S. 37~~ 1/2 of S. 37.

In other words there seems to have
been some curious superimposition, S. 37
being made up of 1/2 of 26 & W 1/2 of 25
or vice versa.

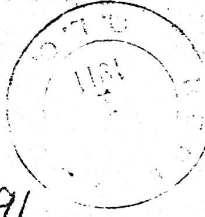

Please let us know which owner
- that is to which did the patent
first issue.

See note on plat. It properly covers

Hattie Guillotte feels right at home at JC fair

By CLAUDIA M. McINNIS

West Jackson County Bureau

GAUTIER — It's the third week in October and once again Hattie Guillotte is "home."

This year — no different from the past 16 or 17 years — she can be seen in, by or around one of the places she loves most, the livestock barn at the Jackson County Fair Grounds.

Though she says this year will be her last, Mrs. Guillotte is working just as diligently as ever to make this fair season one of the best.

The 72-year-old Jackson County native, who is fondly called Mrs. Hattie, said that farmers and the fair have always had a special place in her heart. Over the years, she has voluntarily undertaken projects where her main objective was to seek

benefits for the farmers and the fair in general.

One of her fondest memories includes the start of the farmer's market, which is still thriving today. When the idea first originated, Mrs.

Guillotte was a member of the Jackson County Fair Board, thus she said, she was able to have input in the matter.

"I remember the State Agricultural Commissioners sent a representative down to talk to the supervisors, and Eddie Khayat came and talked to the fair board (about a farmer's market). Then, I volunteered for the job. We formed a committee and went

and toured sites throughout the state, viewing other sites throughout the state, viewing other farmer's markets," Mrs. Hattie said.

See HATTIE 4-A ▸

'I always believe in thinking of people that helped me, 'cause I couldn't have made it on my own.'

4-A—Mississippi Press Friday, October 25, 1991

Hattie

From Page 1

"Pascagoula was the first market on the Mississippi Gulf Coast. Biloxi then Gulfport followed, but we're the mother of them all."

She said since the farmers wanted to sell from their trucks, the openplace market was the choice. "That was one of my pet things, that market. It helped the farmers in George, Mobile and Jackson counties. It helped the people in our area to be able to get the peas and butterbeans and other vegetables," she said.

Last year the market was overtaken by the county, but she managed the market for 16 or 17 years up until that time. The highlight of the market was the way the farmers showed their appreciation for county officials, she said.

"This is when the farmers invited all county officials to a dinner, where everything on it came off of the farm," she said smiling while pointing to a picture. "The farmers themselves, mostly their wives, fixed the food and invited them (county officials) out to the livestock barn. The farmers put this on to thank them (county officials) for what they had done. I just think it was good."

In addition to the farmer's market's success, she said that she was instrumental in getting at least one other church food booth at the fair grounds.

"There were no food booths on the west side of the river and St. Mary's wanted a church booth. Our priest, Father Gerard Cleary, now at D'Iberville, gave us permission and we went before the fair board and they gave us permission. We got it!" she said.

Through a tragedy came a blessing for the booth, she said. "All in the same year, the only train wreck that I can ever remember happening in Gautier was when a train derailed. It was hauling peanut butter and jelly, mayonaise and cooking oil for Winn Dixie. The cars all overturned."

"Mr. Necaize, whose wife was a member of our church, gave us permission to go and cleanup the wreckage; therefore, we got the peanut butter and jelly. We strained it. Some of it wasn't busted and some of it was. We made such a wonderful profit that year because we had gotten so much off of the train to be able to operate our fair booth. That was our first year," she said smiling.

She also recalled the good rapport she had with those who met and worked with her. To her credit, Mrs. Hattie now has two cows named after her.

One cow, owned by Mallette Brothers Farm in Vancleave, birthed a calf in the barn and it was later named Hattie. Then, she said, a few years later, another was born.

"Here's a picture of a cow that was named after me. Me, that lady and a man helped deliver it in the barn, during the fair. It's named Hattie Jean. I thought that was cute," she said pointing to a picture.

Mrs. Guillotte recalled that her wedding anniversary, Oct. 17, usually fell within the week of the fair. When it did, she did not celebrate only with her husband; friends also joined in. She described one special celebration.

"He was an inmate at the detention center. I had them there and they always helped.

He was my cook, but I don't remember his name," she said. "He went back to the detention center and said, 'I want to bake Mrs. Hattie an anniversary cake.' That little boy baked that cake and iced it. . . It was the thought that meant so much. That was just one of my highlights that happened to me during the fair," Mrs. Guillotte said.

Mrs. Guillotte said she will always appreciate those who let her work at the fair for so many years. Despite the fact that she will miss friends and working in the barn at the fair, Mrs. Guillotte said that she won't spend her time just sitting around the house.

"I'd like to thank Bill Roberts and J.C. May for letting me serve as long as they did. This is my last year," she said. "Now, I'm a Jackson County Transportation Officer. That's my latest project. It gives me some volunteer work to do."

Once, twice and occasionally even three times a week Mrs. Guillotte said she, along with a Jackson County officer, accompanies inmates to hospitals in Meridian, Jackson, Columbus and other cities.

Her nonstop, feisty, yet down-to-earth nature has enabled her to accomplish many goals elsewhere throughout the county. Instinctively, she said, she always had the desire to somehow better the county, as well as assist those around her. She credits relatives with teaching her to help others.

Mrs. Guillotte, who was born in Ocean Springs, said that her parents, J.C. and Margaret Delcomyn (both deceased) lived in Pascagoula, so they brought her to Pascagoula when she was about six weeks old. Between her parents and grandparents, she had many examples to follow.

"I'm very proud of my grandfather, Albert Delcomyn. He brought the first telephone system to Jackson County," she said. According to his obituary, Delcomyn "established and conducted the first telephone system in Pascagoula, which served the community and Moss Point for a number of years until the Cumberland Telephone Company entered this territory, when he was compelled to quit the business on account of the competition of a large corporation."

Hattie married the late Hurley Ray Guillotte Sr., a native of Gautier, on Oct. 17, 1937 at St. Alphonsus Catholic Church. They moved to Gautier in the early 1940s. She and her husband raised their four children and continued living there until his death in 1986. She said that she is

very proud of her children and grandchildren and their accomplishments.

"All of my children graduated from Pascagoula High School. Hannah now works at Chevron and is a Councilwoman on the Gautier City Council; Hurley Ray, Jr. is a business agent for the carpenter's local guild; Hattie Mae graduated from high school and became a florist in California; Lone graduated and went to California and worked for the Pacific Coast division of Lerner's Department Stores then transferred to the Atlantic division as road supervisor for 15 years and came home and opened her own business, Rent-A-Maid," she said.

"I'm proud of my two grandsons (Hurley Ray's children). Troy is a senior at USM and Mark is a freshman. They've been very famous. I'm very proud of them and they've given us no problems," Guillotte said.

"If it was not for my family, I wouldn't have been able to do the things I did. I always believe in thinking of people that helped me, 'cause I couldn't have made it on my own," she said.

"I also have a brother and sister living, J.C. Jr. in Forrest, Miss., and Marion Delcomyn Seward in Bayou La Batre, Ala. My other brothers, Lawrence "Lolly" and Edmond "Ed" Delcomyn are deceased. To them I was Hattie Margaret," she said.

Her years of volunteer work began with simply transporting her children and neighborhood kids.

"Out of all the families in Gautier we were one of the few with a car, so I transported kids," she said.

Later she was involved with the 4-H club, where she served as advisor for many years.

"Adelaide H. Doherty, who ran for House of Representatives, was one of my star 4-H girls. We had a camp on the beach, which is known as the old beach park. We used to go down there to summer camp for three or four days," she said.

"We didn't have money back in those days and everybody brought something — a dozen eggs, a pound of bacon, bread, whatever — and we put it together. The main attraction was the old pear tree. The kids would eat the green pears and we'd have to take them to the doctor."

"In 1948 I was president of the Elmer Grant Post and from '49 to '66 I worked in the cafeteria at Gautier Elementary. That's when lunches were \$.15," she said laughing.

Mrs. Guillotte also served as president of the VFW.

In between raising children, she volunteered to coach basketball at Gautier Elementary. I left there and went to OLV (now Resurrection). Eddie Khayat was a coach at Moss

Point High School, at the time, Mrs. Guillotte recalled.

Her interests in sports didn't stop there, she explained.

"I also brought to the youth of Jackson County Dixie Girls Softball. I was State Director for a number of years. We won championships throughout the state," she said.

Even though she no longer serves as State Director, the program she initiated is continuing. "It's still going strong and Pascagoula's still winning. Ever since then one of their teams has won the world series."

"Another one of my pet projects was the Angels in Overalls. We were called out day and night, and it took a heck-of-a-lot of time. We went out with the Jackson County Disaster group. It was so many ladies that participated in that and most of all of them are gone," she said.

One of her other loves is politics. "I've always gone to political rallies. I love those. I've always been involved."

For her community service, she has received various awards including: Volunteer of the Month in 1981 from St. Mary's Catholic Church; Outstanding Citizen from the Pascagoula Exchange Club and a Golden Service Award, to name a few. But, the greatest of all her honors was given to her by her grandson when he was in junior high school, she said.

"When my grandson was in Gautier Junior High, he had to write a report on a famous person and he wrote about me. That just makes tears come to your eyes to know that a child in junior high school even had the thoughts he had," she said.

People must remember, Mrs. Guillotte said, what a real volunteer is.

"My case is so much different

I think people today have forgotten what the word volunteer actually means. I thank God for giving me the strength and ability to do what I have done. I'm not a bragger, but I'm proud of what I've done. Most everything I did, I did it because I loved people," she said.

Lifelong friend Sheriff Pete Pope said that "her bark is worse than her bite" and Mrs. Guillotte is one of the nicest people in the county.

"She has always been there when we needed her. She's dedicated her life to helping other people and she's always given of herself to the community," Pope said.

"She has a heart as big as Gautier," he concluded.

Carolyn Guillotte Slightly Injured In Wreck Monday

A three-car crash on Highway 90 Monday during a rain brought injuries to one person, county highway patrolman Matt Cox said today.

Given emergency treatment at County Hospital for face lacerations was Carolyn Guillotte, 20, Gaudier. She was not believed seriously hurt, the officer said.

The accident occurred about 7:30 a.m. near Fontainebleau when a car operated by Clifford Gayle Street, Chickasaw, Ala., spun out of control on the wet paving and into the path of the car operated by Miss Guillotte in the opposite traffic lane.

The third car, driven by Eugene T. Trahan, 22, Biloxi, was behind the Guillotte car and crashed into it when it was unable to stop.

Street told police that a car traveling ahead of him slowed and the brakes of his vehicle must have locked when he applied them.

Estimated damage to the three cars was \$2000, Cox said.

Street was charged with reckless driving, he added. 2-16-58

Farmers' market founder dies after fall

From Staff Reports

GAUTIER — Hattie Delcomyn Guillotte, 78, the matriarch of the Jackson County Fair and farmer's market, died Friday in Ocean Springs after sustaining a head injury Wednesday.

The head injury occurred as Guillotte attempted to board a Singing River Hospital System bus unassisted, daughter Ione Guillotte says.

The 78-year-old woman then fell and struck the cement driveway.

Singing River Hospital officials were unavailable for comment on the matter.

Affectionately called "Miss Hattie," the Jackson County native was actively involved civic and political issues.

"She was on the first Gautier Election Commission," said Ione Guillotte.

"She established the farmers' market on the entire Gulf Coast.

She met with Commissioner Jim Euck Ross in the 1970s and they saw a need to meet the farmers' need of being able to get their product to market," Ione Guillotte said.

"She ran the Jackson County market for 17 years and the Harrison County market was a spinoff from it. She was a member of the Jackson County Fair Board for nearly 25 years," she added.

Guillotte ceased her active role at the market upon reaching age 72.

Jackson County administrator George Touart said, "When I first came to work as county administrator in 1989, Bethel Robertson, Marge Reynolds, Mildred Boutwell, Mac McGinty, Charles McInnis and Hattie Guillotte were the people who put on the fair.

"(Guillotte) was in the livestock

barn for many years."

Touart said after her retirement, it didn't seem right going into the barn and not seeing Guillotte.

"They (board members) were the pioneers of the fair. Without the dedication of those six people, we would not have out there what we have today," Touart said.

Guillotte was an advisor for the 4-H Club, former president of the VFW and was instrumental in establishing the boys and girls softball league in Gautier.

She also served as a Jackson County Transportation officer, accompanying female inmates to hospitals in Meridian, Jackson, Columbus and other cities.

Guillotte was married to the late Hurley Ray Guillotte Sr., a native of Gautier.
